PREFACE

Greenville, North Carolina

"OUR GREENVILLE — YOURS IF YOU COME"

(Directory Population Territory Covered, 17,475)

HISTORY: One hundred seventy-six years ago, a group of citizens, realizing the importance and productiveness of the area embraced by Pitt County, and knowing that a place for trade and the seat of government would promote the progress they foresaw, requested Richard Evans to introduce a bill in the Assembly for the establishment of a town on lands he had offered for the purpose. The intent of the act was not carried out until 1774, when the town of Martinborough was established, which name was changed in 1786 to Greenville in honor of General Nathaniel Greene, the hero of the battle of Guilford Courthouse. Greenville is now the educational, and one of the most important commercial centers in the coastal plain section of North Carolina.

PITT COUNTY, of which Greenville is the County Seat, was formed in 1760, and named in honor of William Pitt, the Earl of Chatham. Tobacco, as with many of the counties of Eastern North Carolina, and Virginia, was and is now the major cash crop. From the days when tobacco was packed by hand in hogsheads, through which an axle had been placed, and then rolled to boat landings for transfer to markets on the coasts, Pitt County has attained the distinction of being the largest producer of bright leaf, flue-cured tobacco in the nation. Instead of shipping the crop to other cities to market, more than two million square feet of floor space is now devoted to the sale and processing of tobacco.

GREENVILLE, the County Seat of Pitt County, is located in the Coastal Section of North Carolina, 84 miles East of Raleigh, the State Capital; 137 miles Southwest of Norfolk, Virginia; 159 miles South of Richmond, Virginia; and 267 miles South of Washington, D. C.

POPULATION: According to U. S. Census, the City's population in 1940 was 12,674--98.4% American, while in 1930 it was 9,194. The increase in the ten year period amounting to 38 per cent. The present City Directory population is 17,475.

POST OFFICE RECEIPTS in 1930 totaled $39,000.00; in 1940, $62,529.00; and in 1947, $101,741.79.

THE GOVERNMENT is vested in a Mayor and nine Aldermen who are progressively administering the affairs of the City to provide the necessary facilities required for its rapid growth.

CLIMATE: Mild, equitable, and free from severe storms. The average mean annual temperature is 62 degrees and the average annual rainfall is 45 inches. Growing season 207 days.

ALTITUDE ranges between 64 and 75 feet above sea-level with the topography rolling and well drained.

STREETS: Approximately 30 miles paved.

EDUCATIONAL facilities in Greenville are unexcelled in the Coastal Plain section of North Carolina. The City's public school system, accredited since 1917, has six schools, two of which are for Negroes, all operating for a full nine months term with the High Schools providing twelve grades. In addition to regular subjects taught, the City School System has recently added a Technical High School offering varied courses for which the best of equipment is provided.

COLLEGE: East Carolina Teachers College, a state institution, is located in Greenville. This college, with a plant value of more than $3,334,000.00 and a normal enrollment of over 1,200 students, offers courses in Teacher Training and Liberal Arts leading to Masters' Degrees for both young men and young women.

LIBRARY facilities include the $100,000.00 Shepard Memorial Municipal Library containing 14,247 volumes. The East Carolina Teachers College Library with 48,000 volumes, and the Greenville High School Library. A library is also maintained for the colored population.

CHURCHES: Both the white and colored population are amply provided with places of worship, with practically every major denomination represented.

UTILITIES, including electric power, water, and gas plants, are municipally owned and are operated by the Greenville Utilities Commission. Their efficient operation in addition to providing low rates for these services materially assists in giving the City low tax rates.

TRANSPORTATION: Greenville has facilities for all modes of transportation, including Rail, Highway, Water, and Air. Railroad lines are the Atlantic Coast Line Railroad and the Norfolk Southern.

Hard surfaced Highways N. C. Numbers 11, 43, and 903, and U. S. Highway 264 radiate in seven directions from the City providing dependable avenues for motor transportation, which includes several motor freight lines and three motor bus passenger lines.

The Tar River Port Commission, a public service agency appointed by the City and County, owns a modern water transportation terminal to which regularly scheduled boat transportation has been maintained. Greenville is the fartherest inland port in North Carolina having a channel twelve feet deep, permitting the use of the largest type of inland water freighters.

AIRPORT: The Pitt-Greenville (C.A.A. Class A) Airport embracing an area of over 700 acres, with three paved runways each five thousand feet in length and one hundred fifty feet wide, with paved taxi ways and

(Continued on Page 10)

(Continued from Page 9)

parking aprons, and representing an outlay of one and one-half million dollars, is one of the best municipally owned airports in the southeast. It is served by City electric power and water, and sewerage system and is within three minutes riding time from the business district. It is now operated by Greenville Aviation, Inc., for civilian service.

HOTELS, include the Proctor Hotel with 77 rooms and the Greenville Hotel with 40 rooms. Several large guest houses supplement hotel facilities.

HOSPITAL facilities are provided by the Pitt General Hospital, a Grade "A" 54 bed institution, equipped with modern X-ray, Fluoroscope, and Bronchoscope, and staffed by highly trained phyisicians and specialists.

COMMUNICATION facilities include Western Union Telegraph and the Carolina Telephone and Telegraph Company's modern dial system with 3,015 stations in the City.

There are nine incoming and eight outgoing mails daily.

NEWSPAPERS: The Daily Reflector, published every afternoon except Sunday, provides excellent coverage of the immediate area.

RADIO Station W.G.T.C., locally owned Mutual and Tobacco network affiliate, is one of the most modern in the State.

BANKING facilities are provided by two strong institutions, one operating branches in Greenville and other Eastern Carolina cities. Combined deposits in Greenville total $18,888,190.49 with combined resources of $20,985,719.05. There are two strong building and loan associations.

MARKETS: As an agricultural marketing center, Greenville is outstanding, being located in the center of a highly productive area, embracing a population within a 50 mile radius of 553,000.

The Greenville Tobacco Market is one of the largest in the nation, and is one of the two that have five sets of buyers. Its seventeen mammoth auction warehouses, together with its processing plants, embrace an area of over two million square feet of floor space devoted to the handling of Bright Leaf flue cured tobacco.

Markets are provided for all farm crops produced in the area, including cotton, potatoes, sweet potatoes, corn, livestock, poultry and eggs. Greenville is the home of one of Eastern Carolina's largest firms buying cattle and hogs.

As a retail trading center, Greenville rightly deserves its designation, "Eastern Carolina's Shopping Center". Its 1947 retail volume was 22 million dollars.

In wholesale distribution, Greenville with a volume of over 91 million dollars in 1947 ranks seventh in the States. (Copyright Sales Manage-

This Publication Is The Product of a Member of

—thus assuring you the ultimate service that skill and care can produce in the way of City Directories or other reference media, and providing protection against fraudulent advertising schemes which operate under the name of Directories.

The following "Standards of Practice," adopted at the inception of the Association of North American Directory Publishers in 1898, and strictly adhered to over the years, is your guarantee of satisfactory Directory Service.

The publisher of a Directory should dedicate his best efforts to the cause of business uplift and social service, and to this end pledges himself:

1. To consider, first, the interest of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under the one heading that best describes it, and to treat additional listings as advertising, to be charged for at reguar rates.
4. To increase public knowledge of what Directories contain; to study public needs and make Directories to supply them; to revise and standardize methods and classifications, so that what is wanted may be most easily found, and the Directory be made to serve its fullest use as a business and social reference book and director of buyer and seller.
5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publications.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers, rather than on the number of copies sold.
8. To co-operate with approved organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. To determine what is the highest and largest function of Directories in public service, and then to strive in every legitimate way to promote that function.

$100 Reward will be paid by the Association of North American Directory Publishers for the arrest and conviction of any person or persons engaged in the publishing, collecting or canvassing for any fraudulent or fake directories.

GIVING NAMES OF HOUSEHOLDERS, THE NUMBER OF OCCUPANTS IN EACH HOUSE, AND DENOTING BUSINESS PLACES

VOL. IX 1949-1950 VOL. IX

NOTE—Streets are arranged in alphabetical order. All house numbers are arranged numerically following the description and location of each street, giving the name of householder. The number in parenthesis after name denotes number of occupants in each house.

Dash (—) before name denotes that number is wanting.

(◎)—Before name denotes home-owner.

(*)—Purpose of star (*) in front of name is generally used to denote colored person or firm, but its use is so varied that we assume no responsibility for errors or the wrong use of same.
